Courvoisier XO Royal

42

Introducing Courvoisier XO Royal cognac, a blend inspired by our historic cognacs that graced the royal courts of Europe. In the early 1900's, Britain's King Edward VII even commissioned his own blend, Edward VII Reserve, of which a few bottles can still be found in the Paradis Cellar in Jarnac – the starting point for our Master Blender, Patrice Pinet, to revive the perfect marriage of Fins Bois de Jarnac and Grande Champagne that is XO Royal.

Courvoisier L'essence

95

To craft the L'Essence de Courvoisier Cognac, a blend of extremely rare Borderies and Grande Champagne reserves, dating back to the dawn of the 20th century, are intertwined with more recent cognacs from the past 100 years. The result is a full-bodied yet delicate cognac that possesses complex note of sandalwood, cigar leaves and summer blossoms, followed by the sweetness of stone fruits, honey and marzipan.

Macallan "M" Black Decanter 2023 Edition	550
--	-----

Rare, black ended casks holding peated whisky have been meticulously selected to create this unique expression. The smoke-infused spirit matured in these sherry seasoned oak casks has gathered distinction and depth over decades.

Subtly smoky and brooding it may be, but the whisky possesses the spark and breeding of a true Macallan. In its honour, its new home is hand crafted from black Lalique crystal.

The Macallan M Black is utterly unique. Precious, peat infused single malt, Lalique finesse and lateral creativity are married seamlessly. This remarkable release is truly one to cherish.
