AT THE CAVE BAR

evening

THE CAVE BAR AT MELDRUM HOUSE IS PART OF THE ORIGINAL MANOR HOUSE'S RICH HISTORY, DATING BACK TO 1236.

Originally, this part of the building was a larder and storeroom. The area where the Whisky Club is now housed is where meat and fish, that would have come from the Estate and further afield, was hung and smoked. Until the 1950s, Meldrum House was a family home for generations, so we hope you enjoy your time here with family and friends...
