

# WINE LIST

## 2019

**I would like to extend a warm welcome to Pineapple at  
Meldrum House Hotel.**

Please find our carefully selected wine list. We aim to offer a selection of traditional and new world wines that will perfectly match our seasonal food. Not sure which wine to choose? Ask one of our knowledgeable restaurant team who will be happy to guide you through the selection – finding the perfect wine to complement the food you have chosen or helping you to discover something new.

*Please note, wines and vintages are subject to availability.*
