Dome Dining & Titan Sky Bar...

AT MELDRUM HOUSE HOTEL

Our Viking domes have been named after the stars in the sky and have stunning views out across the estate and golf course. Named after the six-star system, Castor holds up to 6 guests, Luna holds up to 8 guests and the two larger domes, named Aurora and Sirius hold up to 12. Titan Sky Bar dome measuring 10 metres in diameter, has the capacity for up to 40 people at stylish cocktail tables or up to 32 guests as an event space in a horseshoe shape table.

Our domes have 360 degree views of our manor house, estate, highland cows and golf course. The beauty of the dome will mean that guests are bathed in natural light all day and then at night, the atmosphere will switch up as the bar will display coloured shooting lights as darkness appears and the stars come out. A Bluetooth music system is installed in each where you can wire in your very own tunes.

Please note our domes absorb heat similar to a Greenhouse effect, therefore on a warm day please dress appropriately for the weather. The domes have their own private terraces to dine on if required as well as a plumbed in air solution which can be put on heat or cool setting.

The domes are available to hire for breakfast, brunch, lunch, afternoon tea or dinner. Titan Sky Bar dome open as a bar Friday to Sunday and can be hired out as private dining Monday to Thursday. Menus can be found on our website.
