

Golfing at Meldrum...

MEMBERSHIPS 2024

The Knights Golf Course is ranked in the Top 40 Resorts in Great Britain & Ireland by National Club Golfer and celebrated its 25th anniversary last year.

Designed by Graeme Webster, it is one of the finest parkland courses in Scotland coupled with world-class practice facilities. Boasting a choice of 5 tee positions, it ensures every level of player can enjoy the course and is one of just a handful of golf courses in Scotland, measuring just over 7,000 yards from the back tees.

There is an experienced Greenkeeping team behind the maintenance of the course. You'll find manicured greens, double cross-cut fairways, water features, dog-legs and bunkers surrounded by a mature woodland backdrop and of course, views of the 800-year old manor house and luxury dining domes. The USGA constructed greens allow play 12 months of the year, unless subjected to very severe weather conditions. During the winter months, mats are not in play.

Our Pro Shop sells an extensive range of clothing and top brand golfing equipment and is open seven days a week. Our professionals provide a custom fitting service using state-of-the-art technology to match a set of clubs to your personal requirements.

Members benefit from 24-acres of world-class practice facilities. Last year Toptracer technology was added to the Driving Range and you'll find a dozen target greens, a fantastic short game area and putting green so that you can perfect every aspect of your game.

Members can take advantage from a range of benefits. We limit the number of members to 400 which gives every golfer the opportunity to secure a preferred tee-time or offered a favourable alternative, which can be booked 14 days in advance.

Ten-minute intervals ensure players some privacy and a sense of space during a game. A full fixture list offers members the chance to meet almost every weekend and Wednesday in the Summer months to encourage the spirit of friendly competition and the opportunity to meet other players. Standard red and yellow, medal white, championship blue and tournament black tees are available to members and their guests seven days a week.

The Clubhouse has excellent facilities with a lounge, balcony that overlooks the 1st and 18th holes with far reaching views of the estate and course. An extensive menu of food and drinks is offered by an experienced Catering team and members are invited to use the George Duncan Suite and Dining Room which may be booked free of charge for events. Members can take advantage of free coffee in the Clubhouse at any time. There is a TV area for watching sporting events.
